with yammered oceanside, prior calliope dowse
feint grommets, thought of ins and inners, the
opaquely diremptive lacerates from tolerance
ongoing within redux parallax. mode for sweep on
intentional cruciform melodrama oomph lottoed
into gravitas, personally divested, mote widely inked
from age to age, thickly deformed posterchild of
revolutionary bhakti, weekending on slow frames
other weaseling oppressions. contrarist goes wig
outward on hold for gluon simpatico devotion,
labeling so marginal rafters on prolations of dross,
widely fortunately possibly, there then and now,
parquet floors especially supplication permissive to
animate willing non-pestilence, phonic resistors bloat
on solo charming tramp steamer, on longing for
longly presuming therefore with thorough search
that, in of iterations, the mesto visigoth in or out,
telephonic resumption of wherever in on the
flotation mercifully acoustic remedy. non the
accidence of partaken supplice thought-form wholly
the simulacra of mimicked eventualities, lest probe
simply red-shift from corner to corner, each learned
text widening with satyrs to placate, no kingly
retinue, radiance forming where each motionless
action vestiges selfhood, wisely hindquarters, eachly
the borderline window, naked jump-starter
revisionary presence on held millstone. samely
referent to pileated monikers, cohort versive to
palaces universal consciousness one tape to
thematize otherness, availing the propensity for to
edify bartered inflection, nothing separated from

non nothing, hook on the song in first through backward motion, somatic invention eachly the prehensile widening slathered vertically adopted. mome borograves. the combination of seldom in variously eddies the parallels a receding traction mannering something dedeed out of in preventions mattering with sonata the precisely that, with summa cum laude the ombudsman for betterment wisps on the lake, melodies fleck the heart offering seal to vestibules meandering with each foundling wired the sawmill voices nothing one of other living's manners. words act experience or structure of experience, a nominee for ascendancy persists while dearly provenant numbers of relocation pervade secondary nouns, the fascination of edifice, one skeleton-ist some seizing from beginnings of historicalization a form of roving the mainsail, nothing forgotten in between, so directive teams of destinations lurk in stray hearts nothing with plebiscites to revert illbience on the rise, a nano tactical invention leaned to through that in schools everywhere, a dance with burdens flashing, a danger filiated from a queue reacting with poltergeists of inert imaginations, nowheres, the flailing therefores on blood-red mien, loci with sumerian destinations, lean a language, amaze tones with buds on hello apana those for mere lysine, the trepidation bothersome therein anorexic, no affiliations, where is singularity accenting some while defended in aprille on fledgling timorousness, no consciousness except space and quanta, the frequency of

regulation mirageous parallel to its overt license. ahead of sunset, the between-empire has no dupe, forges accent throes, somewhere unerring variables coincide to collide no mattering with outside influences attunes the rampant voices notated universally parched to ecologize a moving. back tune, observe pastiche's defibrillation, something untidy, the emptied bargain basket raspy on tunnel floor, files with arrogated blots from evincible mergings, noah unable to repeat reports really roving the rainy day outcast overcast in ontologically a vineyard of lividly parsing something inner to aside thought, to before thought, to during and surrounding its experience and consequent structure, a tumbler in lock which, doled out, rolls a fissure beveling mindstyles here and hereafter, nounal the strophe, a dabbler with sutra on vacation numb calluses ons and ins, the collisions withdrawn, heeded from rafters, bugging wall, inventories, tee-vee consciousness, a callow freckle-face doormating selfhood, stricken and therefore agendized for laterally-pulsed cakes and laquers, as longing the dactyl palindrome of strong lanyards. as after-thought, a held-discourse while vanguarded impressions contain motion offered in text...

as prema circulates, non adaptive learning disappearing the throwaway of magic and nature, evocation bloss the cue card to eventuate oblique alignment to loaves the mosquitos' novitiate, sentient opiates. however defensively obscure no lag-time to accelerative impact, redeem with calliope the chock-blocks under a carriage took sleep for a card over the ocean those moving retinues at revealing sympathies from heart-song the libation regulated lateral imprimatur, echos of derivations metal no longer, a flagrant incessance of tisane and effusion, not protean images of music or dance. recusing oneself the ligature of maverick-hood, one joins the consciousness of one in the one universe, radiating outward from held-story, on fledgling impression worldly festival nowhere absolute anymore, a grounding abandoned, absolute abandonment from hearing outward relinquishing of patter in brio mendicants thoroughly expiated. as delved into unceasingly, there reveals nature with restorative provenance, swirl and defer, swirl and assert, no caveats here top of mountain with worldview persisting unerring the cloak and dagger thisness at no random mercy. a tundra waits for desertification, however longing the midstream of maha-prema, pipe of strong engraving, of the ensign tolerance which in somber ice, in sizzling heat, a determination materializing while detainees mend sorrows, some recorded herein to before the adored impression of eternal love, though it is misunderstood, rotary of candles, some burning

some noesis-free, the oblate servers until rendition assigns a de-masquing of prevailing missives, confidence of seriously non-acquisitive lenders, one slow denial from no heard essence or escort, hoops rolled down the car-park, vessels with karmic offense removed, removes as practice of evincing plick-plock, the tome of rideaux drawn back, veil after veil. a nascence of broom and sovereign in steerage, filings where inverse patterns, call it retrograde or sympathize whitely wandering theoretical nights and days, the inner spaces, the affirmations and denizens to found rhythm in accidence more to refer elsewhere an a pool revoiced, though the recursion of participation neither aides nor hinders the exploration of dialectic moments. someone thought to 'transcend the opposites', only to find another opposite-able instruction. subject to linear space, there is no reason it would not come down the line as such. even three or four dimensional spaces are unsatisfactory for the resolution of opposition. in reality and in discourse, both versions of the same similarity thought twice, space curves back in on itself many times, as many as is desirable, thought is aide to itself only, or to what experience tells, what experience is is unregulated by concept. no apologies...

a gift of a flower to a flower, a great signal for wandering from the placid to involve notions of veering reductively into sestina and regulated wordship of language, used moebius spaces define arlesienne grammar before the entr'acte, without waving the instrument of escort, the hotel denying confirmation roams through marketplaces searches the information palaces revs engines in tandem with concerted efforts to transfer transcended & transcending words and the experiences they portray. not far away, the flower gathers devotion in the journey to the other, as the imaginary abbreviated in skipped stones over a lake pictured in black and white, is accepted as a solitary, the ocean before and behind, half-drawn half-repeled, yet inspired to excel in description of indisputable language. language, what language?. no language problem, usage and clarity, that's all. going page after page, through ocean to shore, onvoid the painter and the poet, named slice of persistence and personality, some somewhere else deep in mindset, each with own development and labyrinth. exploration by reduction is frequency of determination elaborated, abandoning self to sporting with word and essence, theories of space and quanta, weeping the indivisible language offering the flower to a song heard wherever it arises, the flower's song, a redolent sonata, or a symphony, each nature of lairs deferred in a keeping-vigilant named only for elaborating the flower, its meandered journey and what is ahead of

the moment weeping is set free in. from a description, there'd be no haste to bring more flowers to the flower, kept in a vase contained only by the entire universe, and what is found elsewhere, there is an accounting as well. human trial and essence, going the route for which cognition harbors no avarice of emotions, nor acquisitory strength necessary, one lifting is cared for the nature of which is presented to diorama, cross-referencing some acid-free perceptive anomaly the proof of which is startled from reversion. the open page gifts a flower to the flower called with definite article more pointedly directed to, in the 'from-ness' of which flower experiencing, experiences the memory of hollow shards, engravings willing for a momentum to stabilize in zeal for the 'gifting' of a flower to the flower. at mannering with closeness, some selfhood is exposed, as the road's journey is hidden from its travelers, one expiates on what mountain is indescribable...

there, on wall, a candy-ocean. some sizing often improbable therein manageable forms lightning strikes mere sunny days not to bed down in saloon after grit and panatela fords minutiae of sleigh bells the session seasonal to emirate's involuntary boisterousness. one clangs bellows on the faafaa multiplexers defending natural resources ecologically and acumen, threnody for adamantine vigils, the consequitor verifies noise-to-precision boundaries, one solves a dowsing mnemonic well into knitwear, sleepy the consequence plucked from a gravitas more supper-club the oven, held in that manner. the holding of retention moonsong velocity apana for grief's statement, some activity of nounal containers, each voluntary for painterly advantage, one solely visible where styli of the richesse or familiar grain to pebble ratio defray mavens teleologically abrupt, retina for clubhouse impresarios. theatres deflect random assertions, some literally do-not-change reactorship of the evidential season, to facetiously, no, not the rendition combining so that, well out of the shade in restriction, so, what's corrected or correct before the pre-natal insurrection, flamboyant or stale, weave the stolen apse into a radiance meant to escort to a dance in heaven, nounal shrift bolstered in daffodil manticores. the book on reality's acumen, some else stadium foam gravitas mellowly, each lettrist gist of the burn, leeches from a coddling to extreme, not some ulterior habitude, each nexus of knots = knowledge, action in disturbance to the realization of nature's

presentation world response thinking somewhat else for manipulation. seepage on sector eleven, the string-of-strangeness theories reflected upon suddenly, not the haven for quasi-raffled intention, no strings of guru laceration, the emptiness moted out of shoe, brocade in suede, simulacra all, the tidings with surreys in balance-sheets, balancing more the streetwise and the creativity, huddling with a most hoopla to structure the advantage of mainframes, cloaked to endure, only the session waits from a copying to processual-dasein, one salient chakra leafed through, seekers in validity font of hereintofore.

a garden in stritch, pre-roll of dastardly sendmail entries, naive formats behaving with soap sophistries, caveats within outage presuming a correctable notion, someone brings out ideations, presents scrolls of thematic residue too lagging for meantime seraphim, onsets of bliss, nova in on ground-floor bowling lanes. slow demeanor with air to beadle vessel iffy cokers on the aggressive rime of lemmings, strictures urge to mandala another's info-tainer, broken through a sudden mindset no harmonic lancet penetrates summer, sodden rains engineer lines and spaces for the beginning study of construction lacking nothing. what kestrels admit cannot evolve the satisfactoriness witnessed while targeting some ladder. so, going through tunnel afterthoughts, theoretical inventor saddened for a minus of reactive narration, call it interactive, author to text, persisting with readers and text, will gain smiles and something elapsing lifetime grip on who-zit the moot silence when absence of detainees misqueue around for the bolts of lightning suede in functionary, tunnel the thoughtful woven escorts eyries on the columbine, thanking the ideation persistence, nuclei pushed to difference-positions, differance-energies, on squandering a syllogistic re-incorporation, wan online the crawler on haricots vert reveals toccatas will overlay hammocks while caroms evolve the satyr of rescue on flotation devotees. numinous pileations westerly on the horizon, though seeing the residues before traversal inverts some advance of restriction, one storage

boundary, itself as mantelpiece oddly one pound on the scalar pestilence, navels broke through with accidie, one thought of as each bloke derringers eminence federal literally blowhard on the scumbling etcher, ratchet-up before grand antlers' avant-garde nomos reduces a dollop of engineered nature suddenly edition of essential monition, weeping to proclaim is nothingness as detailing secret write-back, even inscribe, it is more sanguine the thought parroting no oddity before structure edifies one's cloak and dart. yet, there is no accent to detail where to dart. a clack in voice determinist or freely espoused renditions of karma-chameleon, sectarian standards mindful naming selfless nounal vibratory considerations, light with waving date and hour, the suddenly of signed inveterateness one savoring the roseate navel tomorrow's flange into process before tertiary complexion fans out each discourse. as deemed reasoned, weakly fenestrated though even thinking of lateral data-involvements, the non-stoppage role, one boots dormant celsius the foraging where statement presupposed by an awareness of thoughts inflaming elan voiceovers, forgotten accentings, the motions with palliatives in field of ice gone penetrated in the striking with accuracy's breath, nocturnes reverse and suggest tangibles. for instance, flying through clouds, then sunshine, rainstorms, more clouds, the ordinal transport of mantra-openness in redolence in bias of establishing a demand unrestricted, urgent. of selections jarring echelons through elasticity of

about-faces, considering presence the fluidity of essential involvement, a wary dove-tailing will quash a gnostic detergents, smock worn through something else each covets, ceilings filtered in on the soapbox navidad motley ashcans. were opaque, then translucent, only in ladders transparent. soothe the discovery of edification on termed-insistence, nature with accords until repeats are detoured. a south-coast snowstorm orange flecks are so colorful to serenely distill a nutshell's roadway. passenger in the moving street pavement, curlicues damage the riffled otherness, please tolerate leafed-through unit-awarenesses. the flatland planet peeled from groundswell, to balance a greetings of preliminary cultivation. seminal tessitura widening sass from the attitude, vestibules or kitchens choose their inhabitants woven learnings of metric valence, how bearing. some largesse distinctly refereed bylines grammatically cogent, a lectern intones mere strides will deny of wilderness, the description impacting nature the sound moon vastly premonition of caveat through woods and mountains. lessoning the universe is nevertheless a client to inescapably strive through dado crumpets, the darning-needle of summer-se brushes each eyelash in a stroke of wingspan more delicacy than delivery. chokes on the advertisements, the presiding leans thoroughly de-spoken, haha, contractions of the swordless an amputee vestigial from accounts motions added later. malapropisms in line widening assumptions of nature with selfless behavior, mad moments with

which evidential cimmaron dovetails an event
token-freeing, how standard for appendices
thronging saturdays at the mall. a brush with ink
gadflies through a line's language, each environment
a diversion more tolerant, nighttime sere virtual
noster vicarious over oceanside blocks...

as balances of thinking's remover
poet in geranium-sloka evidences
thought sorting a qualiton movements
meow to rename possibly iceberg
attention torn ocean dipolarity
neuralgic symmetry while tentatives recrawl!

dustbins weaving certain chaotic voices
these voices, void parameters, circulating
evidential miniseries of themselves, motion
where lopped of until peevish narration

skeletal frappe ontologically syllogistic.
therein possible while rapped out on caveats
the boundaries emirates nounal crises duet.

cameos of real re the finesse to
opulate moviegoers in faring templates
froth to ebullience of inner nature,
where sky eagers the bulletins surround eviscerates
non-agent voiceovers impending solarly of
each thisness one becomes.

a template wide of sutra sutta, small changes
to parley intention's gloaming otherwise.
thought, where contradictory, combiners with
iamb of stealth nature of attention-grip,
a dance daring no stride, one from attention
plebiscite to manages ounces of the distance
between isolations, the sympathy ophelia
veers nounal pardons, piety of sunny days.

tarrying of cesium apiary, melded with acetylene
or fabrication, no stripe of angels those
defining southern naming revelations, awake
afterthought the notion atomic lien retook
sadder the briar. but. yet. and the research off
hemming seals throaty interferes voice not,
harpoon sleigh bells of destination-free, lace
to parapluie, imago fellowshipped out of
stage reflexions, durable with assumption re
thoughts in the saloon. if gradients arrive on
pox.

as leans theoretical grammar is selfless of
itemization burden other-some randomly
the apparition sleeved in garrulous opiate,
empty clouds, beauty in music latinate
veering slumber children, beneath bravado
rien du tout for that. some seek some accede.

weaning a sorrow then to appaloosa the
in vinyl apparition, combinations revues on
bullets throwaway islands relaches of due.
the fecund harvests none othered from this
natural ice-on-chakra, as minutiae of listlessness
devolve loved ironic nouns, the membrane
divot, ebola crimps describing tenderness
one savoring each. that, in recoiling in each
vastness of appaloosa where why and if then.

with recruited, non-thought, widening somewhere

asunder politic nature, evolution reverse
throes of cerise blankness, one salutary
to iteration's vestiges, the naming within
assurance of the other, blooms detainee
on neti neti, so lagged out into space for-
not space in- then sotto eindruck, perhaps
perplexity arrogates impounding worldview,
aptitude revue, mindstyle with seasoning.

absolutely offish noetic valence toxins
of edible moonshine, coercing soapbox
culinary bootcamp, one shelves tentatives
in varoom vritti covering a blotto vamp till
readied out of sheepish annuals, as so deft
colic the bounce in on gigahertz, stipend of
so-else the pattern waiting, ten stairs to
heed imperilment over astral genuflection,
seizures clamp dovetail jarrings, the narrow
as blithered, blithering, blueness of equation.

avenues ro roads, the correction aboutfacing
somewhere on is not will willed out of re-
duction after hup-two granaries, teething
rings laden wires the seepage ounces control,
attention to devaluation possibles, there mute,
there numbered, each. theoretically broomed
over the revolving myopia, lancet with small
otherness slides through astounding elements.

problematic "no' evinces images turned outside
in, a parallax without boundary reverts to

blotted mundanity, combiners with ardent meetings coating searats in the hopefulness of a cleansing prattle.

where adorns the fiduciary evidence naturally opalescent or mirageous that, in assuming no willowing shredding somewhere the posthorn clerically blended frame familiarity summa cum laughter, theoretical beowulf threaded from disdain respite especially, no grammatical underlining from parnassus' gleaming settlement.

as narration's elan-fortiori cloque-monsieur blend of sailboat and ceremonial, aperture furrowing muddy pellets viewpoint there sundials in over the rainstorm yearlong in barleycorn edits.

a well-woven wrought warmly oreo symmetry vacates once estranges therefores out of a blush coterie, podium foom glandular either, the apt roving while admonishing serrations windowless in fact, the impending leaders on vantage briars, noon in the salute for agonizing a revue othered out of as the data splurges, no foundary elastic for mindfulness once broghams elbow into selectivity of for cd-rom.

some premonitions divulge which tattle brow naively skirting essences whereunto a sunny reflection grabs inventions often so shard in gracefulness, one pounds towards a fleck of

teleological impulse, reining othered from
gravitas in parallel though non-teevee. licentiate
with breathers on clef-bordering those reveal
ministering astute voiceovers, one thought of
relinquishing a studium, voice in dark street
savoring, reacting with merciful astronomical
brooms thensome in arrival, tentative presumes
the crowning motion weld neurons temporary
lip-synch, rundown into stage fidgeter nominally
the disbursement one for latter numbered.

shantytown involution, grace to papyral monism,
thoughts velocity-prone color-changes, the invent-
ion naked out of experience, one dreamtime
lava rookery thought of for closing belts into
urgent emptiness of serration, the sheeted
bingo rain, a so-sorrowful thought, smelting
around-sided thematic evaluation raffled for
a grinch, ewes in the caveat shift upward.
