

ELLATIOS 1-26

Scott MacLeod

after kostelanetz after kervinen after lambert after leftwich after lambert etc

ELLATIO 1

brave, famous, we kiss one another, the dead
mouthing erotic passages from beyond while
hymns hiss into ghost gloves, chalk puffs
lifted to lips swallowing sputum, parallel theory
tough love in the doorway while clergy flakes
off, too much wasp snot on the bridal paths,
and you spool apart like garage bands after all.

we learn by beating / back / book, regret,
other empty tasks, barely-noticed swallow,
safe curriculum without plan or censure, plenipotent
fibonacci lunch-munching in accented formica,
diction grown hypnogogenous, subjunctive,
the invoice read backwards, ovoid world defined,
my imagination's thin destination

ELLATIO 2

bothers farts empty the car through the hole,
now the world's knot range, dung ladders
derided the Nile with you, father, farther father
new motor rotor moves gills & panties, clumped
limos parked full of senate's affairs, butter fork
& cage please you outside poetry, affluent effluent
circling bleak whores d'oeuvres in TimberLand
closing winter clothing wolves by the golf course
prancing into peasant underwear, thigh-high elation
indelibly-autographed, the mind pukes skunk stink
in the driving rain sparkles with rumors raindrops
bead-evilled & bee-wilderer, sticks like porridge
to the dew

ELLATIO 3

span & in, clumped like virgins on the roof
as she pees on the green, blue balls line the range
rovers, limos in the mist pulling virgins out
headless, honey visible, like a cup of tea,
charmed seclusion, fireplace lesions spread,
like boned cancer warms the liver in the dark
doorway, holds you roughly up the bricks
& god hears you, approaches nervously
flags night down like a cab in the rain,
follows you, unzips, puts the taste of chalk
in your mouth, whispers I HEAR YOU!

ELLATIO 4

mahogany punch-bowl theater chasing fluency
& here's a zipper poem garment.com
for Mick on the docks, waiting
for the bus to stop and
start, let's meta-statize, like,
through the boned, onco-intentional

ELLATIO 5

impatient tombstone carvers
the waiter long overdue
as the film slows & fades,
bittersweet friend butter advice

waiter on his knees giving you butter advice
ankles in his hands, forms the light in a dark spot
dark spit moves you closer to the tender spender

ELLATIO 6

new writers opinions left without inflection
(once they learn to shave – better position)
broomstick held anally, botoxed tusk
no sentence uttered in fair air,
voice grown weary

ELLATIO 7

too many years in penitentiary for the hip
morning shit thread
the member's membrane
held aside (I bread my shop
& snort my toast) that iwo jima
saxophone scrum

ELLATIO 8

best generation clumped like golf course limos
in the rain, in front of the fireplace, above shag
but not above shagging, outside the double-pane
the tall huckleberry bush bends with rain weight
inside mutters

ELLATIO 9

yellow ceramic spleen, phones
fried rings & pollock chomping

ELLATIO 10

the butler plots with the woman in the shed, lowers pants to scat
carries the doorway down to the sea of apron'd armies swell'd
& turning limos perplex in the lot, in the rain, gulps & burns
bull'd into the creamed love knot catastrophe by sweat police
friendship-slot vultures defined, barking prechencivilization
